GCOM Family Picnic
Saturday July 1, 2023, 11 am - 7 pm
Roland Park Community Center

Register at https://www.gamesclubofmd.org/Store.asp

Open to All GCOM Members and guests. GCOM Patron and Supporting Members are free, Others $10/Adult, $5/Child 12 and under. Pre-registration required for all atendees.

Roland Park CC at 5802 Roland Avenue, Baltimore, is a new location for our Family Picnic. It has both indoor and outdoor space – and will take place rain or shine. Directions are below.

This will be a pot-luck picnic, with the club providing meats for the grill, baked beans, and beverages. Please sign up on your registration form to bring your favorite side, snack, or dessert ahead of time so we can coordinate the food.

We will be transporting part of the GCOM Library to the picnic. If you have specific game requests, please forward to our Game Librarian at gcom.librarian@gmail.com , at least 2 weeks prior to the event. Or bring your own favorite game!!

As usual, we run on volunteers, and will need help with **transportation, set-up, clean-up, cooking, and your pot-luck contributions – as well as the loan of a gas grill.**

Roland Park CC can be reached most easily off of Rt I-83. Take Exit 10-A, West Northern Parkway eastbound, go past the Exxon and Shell stations, and turn left at the next light (about a mile), onto Roland Avenue. In about a half mile, turn left onto Bellemore Road, the CC is immediately on your right. If you miss the curb cut to Bellemore, just continue to Lake and make a U-turn. There is paved parking, and grass parking to the rear of the property (please do not park on the grass near the entrance). If parking is full you can park on Roland Ave where there are wide shoulders.

Admission is by Pre-Registration Only, including Patron and Supporting members. Pre-Reg deadline is June 25. Register at http://www.gamesclubofmd.org/Store.asp

We will be reaching out before the Picnic for sign-ups for volunteers and pot-luck. Contact riverpa@gmail**.com for questions, to volunteer, or for more info.**
